Thanksgiving Day

On October 21st, 1621, the Pilgrims celebrated the first Thanksgiving in the new world. From an old record "Our harvest being gotten in, our Governour sent foure men on fowling, so that we might after a more special manner rejoyce together after we had gathered the fruit of our labours. They foure in one day killed as much fowle as, with a little help beside, served the company almost a weeke".

With friendly Indians as guests the first Thanksgiving was celebrated with a feast of turkey which was plentiful around Plymouth, but the year following was filled with misfortune and there was no autumn feast. It was not until 1636 that Thanksgiving Day such as we have now is recorded. On the cover is the Mayflower II (Presto picture) as it arrived in Plymouth Harbor from England last June. We think it is a fitting symbol of the hardship and determination and faith in God that made this country a stronghold and defender of free men.

THANKSGIVING
by Murray R. Tuttle

Thanksgiving each day, thankful you say
For the blessing of life from day to day
Were there no sorrow to spice our living
There'd be no pleasure in living or giving.

Thankful each day surrounded by friends
Who give us a greeting ere the day ends
Which helps us to carry on each day
Whether in work or whether in play.

Thankful to God for freedom of speech
So to lighten the burden of those we reach
By word or deed as we pass them by
Helps us all to see blue sky.

Thankful for Father, thankful for Mother
Knowing full well there'll ner be another
For their kindly care throughout their life
In this world of ours so full of strife.

Let us be thankful each day we live
And happiness to others give
By a pleasant word in a pleasing way
Or a kindly act as we pass that way.

CLARENCE VERDI TO SHOW COLOR SLIDES AT BUSINESSMEN'S MEETING

The Mattapoisett Businessmen's Association will have a most interesting meeting on Monday, December 9th, at the American Legion Hall at 8 P.M.

Mr. Clarence Verdi is showing his delightful color pictures of his travels, and anyone who has ever seen any of his slides won't want to miss this meeting.

All businessmen are invited to share this treat and we are looking for a good attendance. It should give those businessmen of the town who do not belong, an opportunity to meet with and share ideas toward a material end. Better business for Mattapoisett! a town which is growing rapidly with a group of businessmen so working together as to better serve an enlarging population.

PARADE OF PARENTS

The Greater New Bedford Chapter for Retarded Children will conduct a 1958 Parade of Parents December 1st. Tel. Wyman 4-1763 or 6-1762 or contact Mrs. Clifford Tripp at SKyline 8-2164 to offer services of any kind.

Daniel Charron and Claudette Charron are both ill at home with the mumps.

BASKETBALL AT CENTER SCHOOL

Forty-one boys reported for basketball practice last week at the Mattapoisett Center School. This was by far the largest turn-out in years. The squad has been reduced to 12, although there are seven seventh graders that will remain out to practice with the team. Gone from last year's squad which posted a 12-4 record are Manny Santos, Norm Secia, Ed Sylvia, Charlie Fermino and Cliff Akin. Returning lettermen are Mike Fitzgerald, and Bruce Dunn from the first team, and Bob Bowman and Pete Fermino from the second team. These four along with Jeff Purvis have been working together. Bob Satterly and Skip Hall are possible starters also Dick Satterley, Bill Young, Paul Dextraze, Wayne Cray and Bobby Carvalho round out the squad. Joseph Kobak is the coach.

ROCHESTER P-TA HEAR TALK ON RETARDED CHILDREN

Members and guests at the November meeting of the Rochester P-TA heard a most interesting talk last night by Mr. and Mrs. Samuel S. Brooker, executive co-chairmen of the Fund Drive for the Greater New Bedford Chapter for Retarded Children held at the Rochester Consolidated School.

Mrs. Brooker explained that "three out of every hundred children born are retarded". She went on to explain that the lowest intellectual group to the highest can be helped. But these children can be helped only by gifts that make special classes, sheltered workshops, diagnostic clinics, and expert guidance for parents and communities possible. A film entitled, "Tuesday's Child", was shown and a question and answer period followed.

Mrs. George M. Davis, president of the Rochester P-TA announced that the association will conduct a membership drive. Persons interested in joining may contact Mrs. Alma Kenney or Mrs. Phyllis Mustakangas, co-chairmen of the Membership committee.

Mrs. Margaret Doane announced that she has received $40.00 to date in memory of Mrs. Bernice Arenberg for the Rochester P-TA Scholarship Fund. The association voted to make a donation of $10. in memory to Mrs. Arenberg for the scholarship fund. Anyone wishing to make a donation may send their contribution to Mrs. Doane.

Mrs. Mary Doane read a thank you letter received from Mrs. Blanche Robinson, Wareham for the pastries donated by P-TA members for the Tobey Hospital snack bar. Members who donated were Mrs. William C. Scott, Mrs. Joseph A. Chamberlain, Mrs. Arthur Kenney, Mrs.

ZONOLITE INSULATION

Heat rises. Therefore, attic insulation is of the greatest importance. Properly installed, attic insulation can reduce fuel bills by 33⅓%.* It is also a barrier against summer's sun, keeping upper rooms as much as 10 cooler. Fortunately, the attic insulation job is the easiest and most economical to perform. Under normal conditions, you can do the job yourself with Zonolite Insulation — *in less than a day.* And Zonolite cannot be fluffed up—pours to the same correct density throughout the job.
